**BRENDA HOUSTON**

Brenda Houston is pleased to introduce new designs into  
her award-winning collections for home and hospitality.  
Working with private carvers around the world, Houston  
designs in both stone and wood, creating heirlooms for  
future generations. The "Woods Collection" offers hand  
carved vessels and leaves, some over 13' tall, from Burma,  
Thailand and Bali. Houston adds to her "Accessori  
Collections" with new large scale stone heads that are  
already a favorite amongst her celebrity clientele.
